To whom it may concern.

I had dealing with Sales representative Matthew in connection with panels for heating my pool.

The work had been done yesterday at my home.

I would like to take some time and thank you for the professional service I received from the word go.

Matthew e-mailed all the relevant information on the same day called; he phoned to follow up and on a query yesterday after installation he phoned back within the hour.

The work done looks professional and the premises were left very neat.

It was wonderful having to do business with a company like yours and I will gladly recommend you to anybody!

Kind regards
