

Attention Dorothy Symes,

We want to commend your company for the efficient way in which the installation of pump & Solar panels was undertaken at our premises last week. It was such a pleasure to have two competent, organised and efficient people (Barney & PJ) do the installation with minimum fuss. They were also communicative and complied with our specification in every way, taking care to minimise any damage in removing the slasto and lawn - which made it very easy to reinstall same.

We would be most happy to recommend your company at any time.

Yours truly,
Trevor & Del Yeoman
